GLORIATOR

A TWO-WOMAN VERSION OF "GLADIATOR"

A riotously funny show revealing just what happens when a glamorous French actress and her hapless assistant stage their version of Hollywood blockbuster *Gladiator*.

Gloria Delaneuf is well-versed in mime, mask, and the mysteries of stage-craft. Her UK tour manager Josephine Cunningham is not. Together they have created *Gloriator* - an awe-inspiring production of bravery, honour, and costumes made out of cardboard.

Wonderfully inventive, physical, and very silly, *Gloriator* was created by French/English female comedy duo Spitz & Co. with the help of Spymonkey's Aitor Basauri and Publick Transport's Angus Barr. Winner of the Critics Choice Award at Exeter Ignite, it was developed with support from Arts Council England and Bristol Old Vic's Ferment.

Like a noisy, riotous burlesque act gone wrong, Gloriator is pure silliness from start to finish.
